

# Elysian Airlines Charter services Brochure ✈️

## National and Regional flights

---

**Private Charter** - If you are exploring the option of Charter with Elysian Airlines you have selected a very viable option for your travel needs. Whether you are travelling on business or leisure you will benefit from options such as no luggage restrictions, fastrack through to the aircraft and other benefits of charter services.

---

**Corporate Charter** - We run Charter services to many destinations, Elysian Airlines understands the critical need to get your logistics right and on time with flexible and at times complex requirements. We provide a range of capacity for group tours, to ad hoc charters for specific events, corporate incentive programmes and much more. We pride ourselves in helping you create quality yet cost effective solutions that enhance and add value to your operations.

**+224 612 14 60 43**

**+224 612 14 60 66**

**Email: Alerts @ elysianairlines.com**

---

**Medical Evacuation** - Move patient(s) from location with medical personnel, closer to hospital. To ensure our flight team and medical staff are fully prepared, the following are essential: The patient's medical records, any important information about the patient's condition, contact details of the treating hospital and doctor the patient will be flying to. Our team are on standby to offer immediate advice and can give you a quote in minutes for evacuation of the patient.

---

**Group Charter** - We welcome group bookings from parties of all sizes. To find out more information please contact Elysian Airlines with details of your intended travel arrangements. Our team would be standing by to help ease your travel arrangements. Elysian airlines Charter service is an excellent choice for group tours, corporate and incentive travel or for any special events. We also offer: Ad hoc charters for events, round trips and single leg journeys. We can also help with complex tours and schedules.

---

**Specialist services** - Logistics for your company or organisation's personnel. Ad-hoc or frequent schedules. NGO personnel. Government personnel
